SHARELIFE 2015 Working wonders for children with special needs..... "We have always tried to expose our deaf children to both communities. As their parents, we have talked to them and tried to answer their questions when they saw someone using sign language. Then one day our oldest son, Ethan, said he would like to learn sign language. We discovered Silent Voice's Sign Language Summer camp and enrolled him in the program. The following year Gavin joined his older brother and they both want to go again. These opportunities increased the boys' awareness of the deaf community and also helped them gain respect for different ways of communication." Last year more than 600 deaf children received support through Silent Voice's Sign Language Summer Camps. **ShareLife Sunday - April 12, 2015 Please give generously. You can work wonders!**
