SHARELIFE 2015 Working wonders in our livelihoods....

When he was presented with a top youth achievement award at a recent gala at The Carlu, Kiwayne was only a short distance from the streets where he had been homeless, and a world away. In the building's food court a few years ago, he recalls falling asleep at the table – exhausted – trying to avoid having to go back outside. But for the past two years since moving into his own place, Kiwayne has been studying construction engineering at George Brown College and working part-time at the Provincial Advocate's Office. Kiwayne grew up in foster care and, at 17, he found himself on the street until a friend told him about Covenant House. "Covenant House gave me stable housing that allowed me to go back to school and learn life skills" says Kiwayne.
