Living the Gospel by welcoming refugee families to Canada... Julie and her younger sister arrived in Canada through the help of the Office for Refugees of the Archdiocese of Toronto to meet a resettlement group that welcomed them with a home and open arms. As orphans from a Refugee Camp in Ghana, they now have a safe place to call home in a country where their lives are not threatened. Julie is interested in studying and becoming a nurse in the maternity ward. She feels it is a passion she wants to pursue after watching her mother become ill and pass away after her sister's birth. They now have hope for a better future and are no longer alone because of the work done through ShareLife-supported Office for Refugees. **Last year, the ShareLife-supported Office for Refugees assisted 6,000 people with their resettlement needs. Today a representative from the Office for Refugees will speak at all masses.**
